MicroBlast X

Dental Water Sandblasting Gun

RM 990.00

KEEYA

Gentle yet Powerful.
Redefine Dental Cleaning Experience.

3s
Remove strong scaling agent

95%
Plaque cleaning rate

360° rotation
No dead angle flushing

Product Features

Efficient & Gentle Cleaning
High-speed water sandblasting technology effectively removes dental plaque and stains while minimizing discomfort.

Protects Oral Health
Thoroughly cleans tooth surface, reducing the risk of plaque reattachment, periodontitis and peri-implantitis.

Intelligent Pressure Control
Smart pressure sensing system automatically adjusts output for a safe and comfortable treatment.

Enhances Patient Experience
Reduces treatment time and sensitivity, improving overall comfort and satisfaction.

Complies with Modern Standards
Independent waterway and gas pipeline design ensure safety, hygiene, and infection control compliance.

Why Choose MicroBlast X?

- **Efficient Cleaning** — Powerful plaque removal in seconds
- **Minimal Discomfort** — Gentle on teeth and gums
- **Safe & Reliable** — Intelligent control for patient safety
- **Hygienic Design** — Independent water and gas systems
- **Clinic-Grade Quality** — Meets modern infection prevention standards

Usage Steps

01

Patient Preparation
Ask the patient to take a comfortable position, wear protective goggles, and cover the face to prevent splashing into eyes or face.

02

Connection & Adjustment
Connect the sandblasting gun to the equipment and check if sand powder tank is filled with suitable sandblasting powder (such as sodium bicarbonate).

03

Sandblasting Operation
Handheld sandblasting gun, with the machine head at a 45–60 degree angle to the tooth axis and at a distance of 1–6mm from the tooth surface.

04

End & Polishing
After sandblasting, polish the tooth surface with a polishing cup and let the patient rinse their mouth to clean their mouth.

- **Safe & No Damage** — No stimulation, protects tooth surface
- **Versatile Application** — Suitable for teeth, implants and orthodontic patients
- **Durable & Reliable** — High-quality materials, long service life
- **Professional Support** — Dedicated after-sales service and training
